serving cart. I have been using it as a wine cart/ mini bar but it is versatile. Very good condition. Used- like new. Bought it in 2019 for 64 dollars. Am trying to clear space and have no use for it anymore. Its very pretty and its sturdy. Not heavy and is also on wheels. It has 3 bottle holders on the bottom. All other holders on the cart i have added myself and those may be sold separately. I have a set of 4 wine glasses from target that I will throw in for free if youd like them.
